

To Whom It May Concern

The Of-Counsel Network of Legal Alliance, established by Dr. Michael Scheele, is the answer by a boutique law firm to the challenges world-wide, which globalization now brings to lawyers. Legal services for internationally operating businesses are not “reserved” to the “big player” law firms.

The Of-Counsel Network of Legal Alliance, which I am proud to be part of, can offer a more personal handling of cases and issues, which the management of international companies wish to see concentrated in the same pair of guiding hands.
