Dear Sir,

We are pleased to confirm our satisfaction in cooperating with Legal Alliance Rechtsanwalts GmbH in Munich, Germany.

Maxmakers AG is a Swiss based advisory and development firm active in international real estate and tourism projects.

We have been consulting with Legal Alliance for a number of years in a range of international projects, often bridging European and Middle Eastern/ Turkish business parties. We have been impressed with the depth of their international business framing and legal structuring expertise.

In addition, Legal Alliance has been forthcoming in leveraging its well-established business network of experts and decision makers.

In light of their pragmatic and solution-oriented working style, we will be pleased to cooperate again with Legal Alliance in the future.

Sincerely,

Marcel F. Hatt
